	within teams • As small as possible • Away from other workers where possible			
	possible			
	Travel to Work Using Private Vehicles Wherever possible workers should try			
	not to share a vehicle with those outside their household or support bubble. If			
	workers have no option but to share transport, they should try to:			
	Share with the same individuals and with the minimum number of people			
	(up to a maximum of 6) at any one time			
	Keep the windows open			
	Travel side by side or behind other people, rather than facing them, where			
	seating arrangements allow			
	Maximise the distance between people			
	Wear a face covering			
	The vehicle should be cleaned between journeys, especially touch points,			
	using gloves and standard cleaning products.			
	Hand Washing • Regular breaks to wash hands will be permitted			
	Regular updates/communication will be made/issued e.g. via tool box
